

Foam Wrap

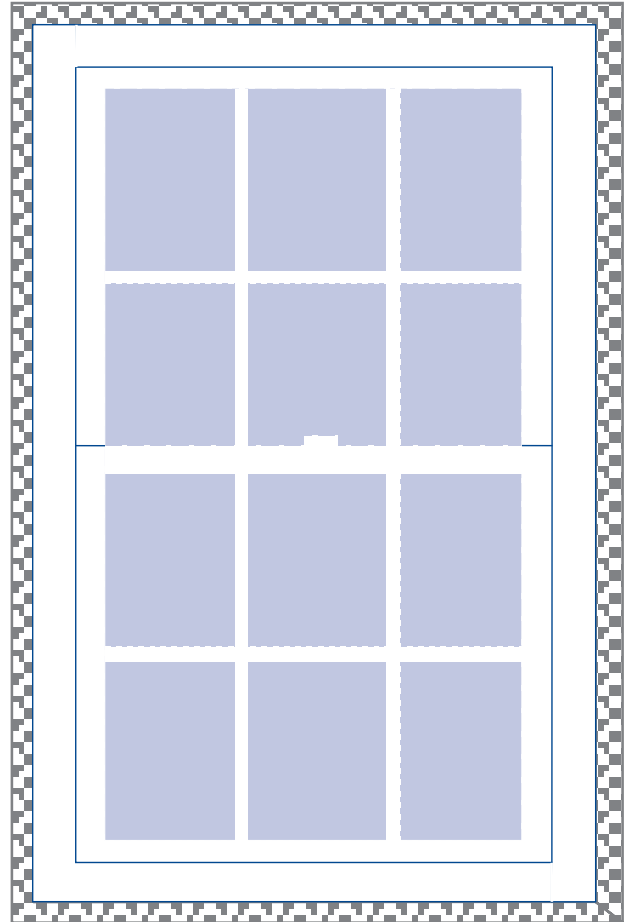

Foam Wrap surrounds the window

- **All-in-One Insulation and Air Dam**
- **Packaged in Compact, Compressed Rolls**
- **Sets into jamb track of the window**
- **Protects during shipping,**
- **Saves time during installation**

Compressed Rolls Save Space, Reduce Costs

H-O's FoamWrap is packaged in compressed rolls to save storage space, to save transportation costs, and to minimize product cost*. FoamWrap is available in thicknesses from 1/8" to 1" and widths from 1/2" to 30". Any combination of thickness and width are available. Orders can be shipped quickly, but to assure immediate shipment and minimum inventory in your factory, H-O encourages blanket orders for the best possible service.

*Ask about H-O's optional bulk packaging for high volume users. It saves space, time and minimizes waste cardboard.

to insulate the perimeter and act as an air dam.
